H: 94 cm
W: 132 cm
D: 75 cm

The 46 sofa was designed in 1946 for a smaller upholstery company named Carl Brørup. At that time Finn Juhl was very much inspired by modern art especially by Picasso, Henry More.

To match the sofa he designed the eye-shaped sofa table 4850 with a blank desktop and as usual plenty of details.

The couch is fully upholstered and hand-sewn with legs in teak, walnut or oak.
